## ANZAC DAY in the Cathedral

Every year there is a service of thanksgiving in the Soldiers' Chapel at 9.00am. It is especially available to those who wish to join in prayer and sing hymns and more recently to those of more mature years who are not as able anymore to join the march which follows but can move from the cathedral to watch the procession in Auburn Street after our service.

## A NEW BANNER

What a lovely surprise to find a very colourful and moving banner cleverly made by a longtime friend of the cathedral. It stands in the Soldiers' Chapel for all to admire and to remember.

## ORGAN

Our Organ Fund had some major work completed on the swell division at a cost of more than \$9,000.

## Consecration and Installation of our Bishop Mark

We continue to pray for Bishop Mark as he explores his new ministry.

## The Monthly Choral Evensong Choir

**Baptism in the restored font. We thank The Friends of the Cathedral.**

**The Friends purchased a new green frontal for the Cathedral.**

## Our sister-church, St George's Cathedral East Jerusalem

St Saviour's is pleased to have this sister-church connection with St George's Cathedral in the Holy Land. High on the *wish list* would be tours to and fro and a more direct friendship with those who worship at St George's. But in the meantime, we stand in solidarity with Palestinian Christians in the present time in that special place. Our contact is primarily through email with Dean Hosam Naoum. Dean Hosam sent his Easter greetings:

*Happy Eastertide to you and all the people at St Saviour's!*

*Thank you for your kind wishes and may the Lord bless you in your ministry. We thank God for our partnership in the Gospel.*

*Best wishes from Jerusalem.*

A *Prayer and Politics* information session has been held to give parishioners a little insight into the context of St George's and East Jerusalem, as well as a film screening of *The Stones Cry Out*, telling the recent story of many Palestinian Christians. We are hoping to begin promoting Palestinian Fair Products at our monthly Community and Craft Markets. And importantly, we pray in our services for St George's.

*Our God, as you nurture the Body of Christ in different places, we ask for blessing for our sister-church St George's in Jerusalem. In difficult times, may your Spirit sustain, guide and protect your people there. Bring joy to them as they witness to your presence.*
